Subject: Demand for Signature of the Addendum to Reclamation Contract, #1, Star Stone Quarries, Inc., Peoa Blonde Mine Site, M/043/012, Summit County, Utah

Dear Mr. Thomas:

During July 2006, you were advised to sign the Addendum #1 to Reclamation Contract for Peoa Blonde Mine Site. As of today, September 18, 2006, the Division has not received this signed document. If this original signature page has been misplaced, a blank signature page is enclosed for you to sign and date and return in its original form to the Division. The Division Director will then sign and date it again.

Please provide the original, complete, signed Addendum #1 to the Reclamation Contract *within fifteen (15) days from the date of this letter*. Failure to respond may require immediate reclamation of the mine site, as the mining law requires all mine sites be adequately bonded.

There are currently three certificates of deposit (CD's) that the letter of credit replaced. These CD's cannot be released until the signed addendum is returned to this office.

If you have any questions or require discussion regarding the content of this letter, please contact Beth Ericksen (801) 538-5318.

Sincerely,

Susan M. White  
Mining Program Coordinator  
Minerals Regulatory Program
